Help us build a Garden of Hope!

This unique project, nestled in a highly visible, yet enclosed courtyard area on the Akron Children's Hospital Beeghly Campus in Boardman, will provide patients, their families and others a comforting place to visit, reflect, heal and find solace in a lovely, tranquil environment.

Naming opportunities for each component of the Garden of Hope will be designed to provide permanent recognition of each donor's support of Akron Children's Hospital Mahoning Valley.

The patio area in the Garden of Hope will be lined with personalized, engraved pavers designed to remember individuals and families. Each paver will be inscribed as the donor wishes, in honor, in celebration, or in memory of a special child or other loved one, or to symbolize grateful thanks from patients or families for care provided. Each serves as a lasting tribute.

Fully funded through philanthropic donations, the Garden of Hope will provide a peaceful place where patients, their families, and employees can find beauty, comfort and solitude. The peaceful sanctuary will be interspersed with a stone patio, a serene waterfall, teak benches, lush landscaping and beautiful sculptures.

*"Noble is the person who plants a tree to provide shade to those whom he or she will never see."
Source Unknown*

A place of hope. A place for healing. A lasting remembrance.

Your purchase of a paver for the Garden of Hope will ensure a beautiful, lasting tribute or memorial for someone special in your life.
